Amendments

Double Patenting

The Applicant has amended the claims of its copending US application no. 09/663,476 in order to overcome the statutory and non-statutory objections of double patenting. In view of the amended claims filed on US application no. 09/663,476, it is submitted that the objections of double patenting in respect of the present application should be withdrawn *mutatis mutandis*.

Very respectfully,

Applicant:
